Dearly beloved in Christ,

Writer Barbara Jurgensen tells of thinking how her busy life had kept her from living the kind of Christian life she wanted to live. And so one night, she asked God to help her live a really Christian life the next day.

Before she even got out of bed the next morning, her next-door neighbor phoned, saying she had a terrible toothache. The dentist could see her right away, but her little boy was in bed with the measles. So Barbara went over, gave the child his breakfast and took care of him. That filled the morning.

After lunch, a friend who had been in and out of a mental hospital stopped with a couple of dresses, asking if Barbara would help her shorten them. The two women worked together for most of the afternoon.

Near supper time her husband came in announcing that he'd invited two new acquaintances to dine with them, a married couple. The man was having trouble finding work because of a prison record. "I hope it's okay with you that I invited them," her husband said and Barbara agreed.

By bedtime, Barbara wondered how, with all those interruptions, she could live the kind of Christian life she'd like to. What she eventually realized, of course, is that God had been in all those interruptions. One sign of God is that we are led where we did not intend to go.

The multiplication of bread and fish appeared as an out-of-the-way event for the disciples of Jesus. But it wasn't for him. He had it very much in his program, for he would use it as a prelude to his most important teaching on the Holy Eucharist. So, is the case in our lives too just as it was for Barbara. God wants us to fit ourselves into his GREAT BIG plan, and that is 'DISCIPLESHIP'.

Yours affectionately in Christ,
Fr. Joseph

All Parishes

Why do we need altar servers? Certainly not to just hold books and hand people things. Servers are a vital part of the Ministry of the Altar. When a server is on the altar, alert and prepared, we can all enter more deeply into the mystery of the Mass. So you are needed and appreciated. Thank you for serving in your parish.

Jesus Multiplies our Gifts

Jesus saw that a huge crowd of people had come to Him, and He knew that they needed food. However, all they had was a few loaves of bread and a couple fish that a boy had brought along.

Jesus took the five loaves and the two fish and blessed it, and started giving it to the crowd. Soon there was enough to feed five thousand people, plus there were twelve baskets of leftovers!

Jesus still multiplies what we give Him today. At Mass we offer to God some bread and wine and He turns it into the Body and Blood of Jesus!

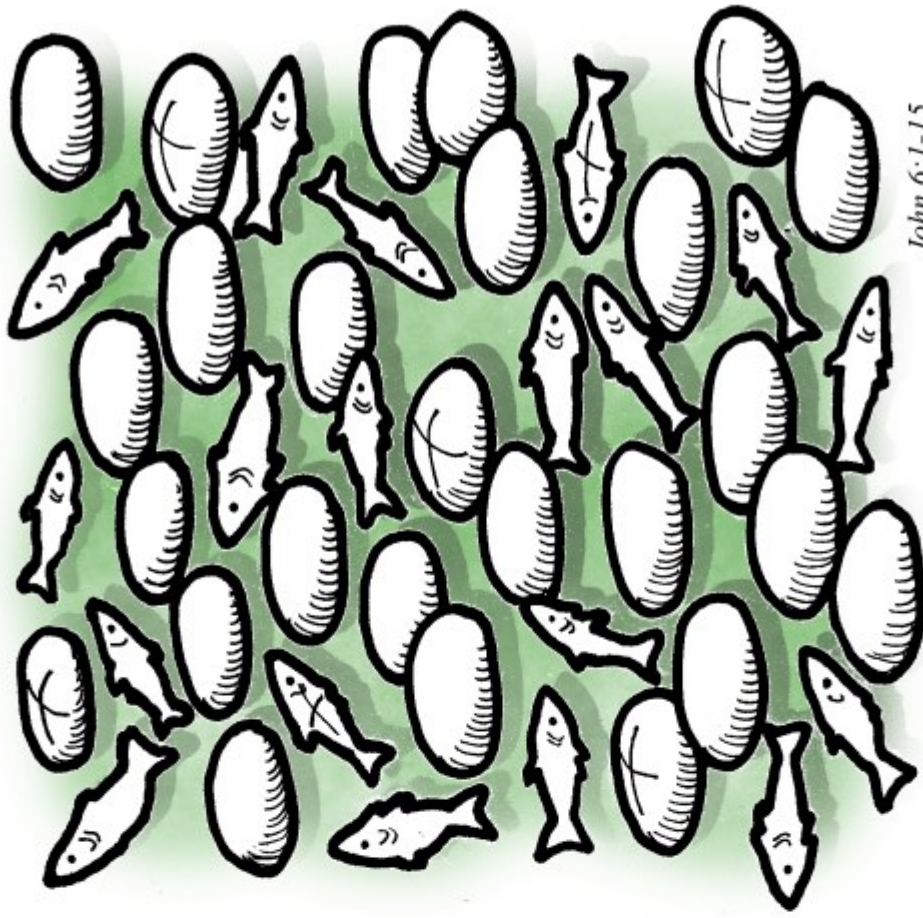

We have something to offer to Jesus too. If you offer your work, or your talents, or even your whole life to God, He will use your gifts to bring His blessings to the world.

Answer to puzzle on front page: five loaves and two fish.
Answer to Loaves and Fishes Word-Find: multiplied.

John 6:1-15

*When five thousand people came to hear Jesus,
He turned one boy's bread and fish
into enough for everyone.*

*How much did He have to start with?
Colour and count the loaves and fishes
with crosses on them to find out!*
